

MEMORANDUM OF UNDERSTANDING
BETWEEN
OCEAN SOCIETY OF INDIA (OSI)
AND
INDIAN METEOROLOGICAL SOCIETY (IMS)

10 June 2023

1. Preamble

The Ocean Society of India (OSI) and Indian Meteorological Society (IMS) have agreed to work together for mutually beneficial interaction, in accordance with the broad guidelines and principles outlined in its Memorandum of Understanding (hereinafter referred as MoU), as set out herein below.

2. Collaboration and information exchange

To the mutual benefit of both societies, OSI and IMS will promote collaboration and information exchange in the following ways:

- 2.1 Links to the other society in each society's website.
- 2.2 Listing of each society's meetings in the calendar of meetings of the other society.
- 2.3 Reporting of activities of the partner society from time to time to keep the broader membership aware of these activities.
- 2.4 Collaboration or cooperation on reports or white papers on substantive issues such as climate change or science education.
- 2.5 Collaboration on topics associated with advancing the enterprise associated with each society, to include email exchanges, joint meetings, or other mechanisms as agreed to.

3. Meeting cooperation

- 3.1 Each society will be listed as a co-sponsor of the other's annual meeting, with all members of the partner society being eligible for a reduced registration fee at the host society's meeting which may be at par with the fee to be charged by it to its own members
- 3.2 As and when appropriate, the partner society may agree to organize a session at the host society's meeting.
- 3.3 As & when appropriate, the two societies may choose to organize a joint conference. In those situations, a separate MOU specific to the meeting will be prepared to cover financial obligations as well as the responsibilities of each society.
- 3.4 Each society will offer the other one free exhibit booth space at their annual meeting. (Charge beyond the booth space charge, such as for decorating, will still apply and the exhibiting society must sign an exhibitor agreement.)

4. Reciprocal membership

4.1 *OSI and IMS memberships*

Members of IMS may join OSI as "Members" with full benefits as provided to Members of OSI as outlined on the OSI website, including, but not limited to a subscription to the digital version of the Ocean Digest or any journal of Ocean Society of India. On similar terms, Members of OSI may join IMS as "Members" with full benefits as provided to other Members of IMS as outlined on the IMS website including, but not limited to a subscription to the digital version of the Bulletin of Indian Meteorological Society popularly known as "Vayumandal",

For members of OSI who wish to join IMS as members, the IMS will provide a concession of 50% to all such OSI members on prevailing rates of life membership fees. Similarly, under the reciprocal arrangement, for members of IMS who wish to join OSI as members, the OSI will provide a concession of 50% to all such IMS members on prevailing rates of life membership fees. Such concessions will be provided by both societies to each other members during the tenure of this MoU.

5. Representation at annual meetings

- 5.1 Each society will try to have an appropriate representative at the annual meeting of the other.
- 5.2 The travel, lodging and registration costs associated with the representative will be borne either by the concerned individual or by the organization sending the representative and not by the host society except when such arrangements are offered by the host organization on its own.

6. Member publications

- 6.1 The IMS will be offered a complimentary institutional subscription to the Ocean Digest and other publications brought out by OSI from time to time and of interest to IMS.
- 6.2 Similarly, the OSI will be offered a complimentary institutional subscription to the Bulletin of Indian Meteorological Society (Vayumandal) and other publications brought out by IMS from time to time and of interest to OSI.

7. Financial obligations

- 7.1 Neither society will have any financial obligation to the other.
- 7.2 For any joint program or activity that carries with its requirement for financial considerations the two societies will execute a separate MOU for that activity.

8. Term of agreement

- 8.1 This agreement is valid indefinitely until either of the parties decides to withdraw without the need to specify any reason for doing so. If any party wants to terminate, the termination notice shall be served 3-months in advance.
- 8.2 The agreement can be reviewed by either of the parties in future.
- 8.3 The terms OSI and IMS, unless excluded by or repugnant to the context shall be deemed to include their successors and assignees in their respective offices.

IN WITNESS WHEREOF, the undersigned, being duly authorized thereto, have signed this MOU.

DONE on the 10th Day of June 2023, in two originals.
